Charles Wagor III, Markertek
Central 400 - 2999 SF

Charles Wagor III, “Chuck”, brings over 20 years of broadcast industry experience to the NAB Exhibitor Advisory Committee as the Marketing Manager at trade supplier Markertek. He has managed all of the trade show exhibition needs for Markertek’s parent company, Tower Products, for over 14 years including its TecNec, Camplex, Sescom & Delvcam divisions. Chuck has handled everything from initial booth design to post-show leads and analytics for NAB, NAB Show NY, InfoComm, CEDIA and more. His day-to-day management of Tower’s websites, analytics, apps and content management has kept him on the forefront of the industry trends and innovation.
