Other FMC Ticket Offerings

FMC offers the following additional training available at NAB Show. These trainings are **not included** in the P|PW conference pass and **require separate registration**. For more information see nabshow.com/postproduction-world.

FIELD WORKSHOPS

Virtual Reality Productions \$999

Instructor: Nick Harauz
Date: April 3-4 (2-Day Workshop)
Time: 9:00 AM - 5:00 PM PT
Location: Nelson Ghost Town & Las Vegas Convention Center

The VR Production Workshop covers 360 workflows, from production to post, exploring history, market trends, filming techniques, editing, reorientation, transitions, effects, and more for a comprehensive hands-on experience.

Budget Powered Productions for Audio \$849

Instructor: Douglas Spotted Eagle
Date: April 3 (1-Day Workshop)
Time: 10:00 AM - 4:00 PM PT
Location: Las Vegas Convention Center

This workshop covers audio setup, shoot-for-edit practices, and distribution outputs. Attendees will collaborate with the instructor, explore support equipment, and gain hands-on experience setting up production and equipment.

Budget Powered Productions for Lighting \$849

Instructor: Douglas Spotted Eagle
Date: April 4 (1-Day Workshop)
Time: 10:00 AM - 4:00 PM PT
Location: Las Vegas Convention Center

This workshop covers lighting techniques with hands-on practice, allowing attendees to photograph setups, work with a model for various interview styles, and collaborate with the instructor on production and equipment setup.

Content Creator Masterclass \$849

Instructor: Juliana Broste
Date: April 4 (1-Day Workshop)
Time: 9:00 AM - 5:00 PM PT
Location: To Be Announced

This immersive crash course is designed to arm you with the tools, techniques, and insider secrets you need to thrive in today's competitive content creation world.

AI BOOTCAMP WORKSHOPS

AI Video Editing \$399

Instructor: Luisa Winters
Date: April 5
Time: 9:00 - 11:45 AM PT
Location: Las Vegas Convention Center

Ideal for freelance and broadcast editors in news and documentaries, this course explores AI-driven video editing with tools like Descript and Premiere Pro, enhancing creativity and expanding professional opportunities.

AI VFX & Motion \$399

Instructor: Eran Stern
Date: April 5
Time: 12:00 - 2:45 PM PT
Location: Las Vegas Convention Center

Explore AI-enhanced VFX and motion graphics with tools like Firefly and Runway, mastering tasks like rotoscoping, face swapping, and animation while balancing AI's efficiency with the irreplaceable power of human creativity.

AI Broadcast TV \$399

Instructor: Luisa Winters
Date: April 5
Time: 3:00 - 5:45 PM PT
Location: Las Vegas Convention Center

Designed for broadcast professionals, this course explores AI and ML in video editing for news, documentaries, and VOD. Using tools like Descript and Premiere Pro, attendees merge technical expertise with practical creativity.

CERTIFICATION EXAM VOUCHERS

All Exams Scheduled Online Post-Event

AI Video Editing Certification Exam \$149

Covers foundational concepts of AI and ML, their relevance & application in video editing, practical use of AI tools and technologies, ethical considerations, and future trends.

AI VFX & Motion Certification Exam \$149

Focuses on the practical application of AI tools and third-party add-ons, delving into the innovative ways AI can be utilized to create diverse motion graphics and VFX.

AI Broadcast TV Certification Exam \$149

Assesses proficiency in incorporating AI into broadcast video editing processes, elevating creative operations, & understanding the influence of AI in the broadcast industry.

Apple FCP Certified SocialPro Exam Voucher + Exam Prep Recording \$199

Focus on online content and social media, testing main features at an introductory-to-intermediate level.

Apple FCP Certified VideoPro Exam Voucher + Exam Prep Recording \$199

Covers all areas of Final Cut Pro at an intermediate to advanced level & includes questions on importing, editing, and exporting finalized professional-quality videos.

Apple FCP Certified Post-ProductionPro Exam Voucher + Exam Prep Recording \$199

Covers all areas of Final Cut Pro at the expert level and includes questions concerning Motion and Compressor as well as post-production terminology and concepts.

Adobe After Effects Exam Voucher + Exam Prep Recording \$199

Adobe After Effects is the industry-standard motion graphics and visual effects software.

Adobe Premiere Pro Exam Voucher + Exam Prep Recording \$199

With the rapid advancement of video and multi-media technology, Adobe Premiere Pro helps produce and edit productions more fluidly than ever before.
